For the picnic: There is very limited parking at the picnic site this year. A shuttle will run every five minutes from the maintenance lot to the picnic beginning at 11:30am. You may park your car there for duration of the picnic and when you are ready to leave someone will take you back to your car. The maintenance lot is on the right side of Route 355, just before the park entrance. If you choose to park at the picnic site, please be aware you may be turned around at the entrance house if there are no more parking spaces in the park. If this happens, you can go back to the maintenance lot and catch the shuttle.
